

# PRODUCT SPOTLIGHT SHEET

## Bodyline BCCA Clearcoat

Clear Coat is a high performance 1k lacquer, giving a crystal clear finish, with an excellent build. It can be applied over water and solvent based basecoats and is ideal for smart repairs.

### Product Features

- Ultra glossy & crystal clear
- UV and petrol resistant
- Can be mechanically polished
- Two nozzles for your convenience
- Fast drying
- Excellent adhesion to water based base coats

Bodyline aerosols are the ultimate method for the refinishing of small vehicle repairs. They provide economical use of production time and manpower.

The surface must be clean, dry and dust-free

Shake aerosol for at least two minutes, after agitator ball is free.

Apply in cross coats from distance of 250mm from object

Drying time 30-60 minutes

Infrared compatible

Can be mechanically polished after 24 hours

After use turn aerosol upside down and empty valve
