Bodyline Adhesive Remover Aerosol is a transparent, high quality citrus cleaner to remove adhesives, glues, tar, oil wax, ink, resin, sticker and residues of glue from painted metal, untreated metal, wood and various plastics.

FEATURES:

- Hi dissolving rate.
- Leaves no residue.
- Slow evaporation.
- Non-Corrosive – Natural Citrus based.
- 360-degree nozzle.

APPLICATION.

- Shake can well before applying.
- Apply to a small area to check compatibility.
- Apply light to medium coat across the adhesive surface or decal / badge.
- Leave to soak into the adhesive before trying to remove the badge.
- Re apply if required to remove the remaining residue with a lint free non-fluffy cloth to leave a clean sub straight.
- Use in a well ventilated space.
- Avoid inhalation of vapours
- Avoid contact with the skin and eyes. Always wear the correct PPE for the task.

PACKAGING:

- Bodyline Adhesive Remover Aerosol is packed in a 500ml handy use Aerosol.

SHELF LIFE AND STORAGE:

- Bodyline AC Gel Activator Aerosol should be stored out of direct sunlight and temperature over 50oC.
- Store in a well ventilated place at room temperature.

TECHNICAL DATA:

- For further technical information, please see the corresponding MSDS.
